“ I am so sorry for your family's loss. Norma was my supervisor at Osco many years ago when I was just finishing high school and starting college. She was so sweet to me and treated me like one of her own children. She gave me great advice and was always a positive and uplifting person to be around. I cherish my memories of her and the great times we shared.

Her parents were always welcoming whenever we were at their home in Gracefield. Such a wonderful family. Caring and kind. One of her favorite things to do was be at the beach in Florida with a nice glass of wine just relaxing something she do a lot of.
