“ I'll always remember grandma for her love of romance novels and fine Scottish lads. I hope you've found your Highlander. For all the talks and laughs we shared, I will miss you. Until we meet again...

Love,

“ Mom was one of the strongest willed people I knew, everyone who met her would say "She's a tough lady" . Always joking and making wisecracks. I'll miss her deeply. She was known as "GG" by the great-grandchildren who would always run in the house and give her hugs and kisses. Until we meet again Mom you'll always be in my heart. I love and miss you so very much.

Love,  
Alice
