“

 I saw Ollie in the hospital last year, she was sitting on her bed eating pie. I laughed and said, "Ollie I will always remember you saying to Edie just before our last work break of the day."

 "Edie, I hear a piece of pie calling me".

 I Ollie was a great lady. She was always just so nice and I loved being with her.

 I am very glad I knew her, she has given me alot of great memories.##imported-begin##Judy Harvey##imported-end##
