“ My heart is breaking for your family and this great loss. Pam was such a beautiful person, a wonderful friend and so much fun. I greatly regret that we lost touch over the years. I have many great memories with Pam from working at Burger King and then our first apartment together. May God provide strength during this difficult time.

Her smile was infectious. We shared some really goofy times way back when. I will never forget all the memories with Pammie. She will be a bright light that is missed by all who knew and loved her.
