“ My deepest sympathy to Erik, John, Steve, Jess, Val, Andy, Gordon, Chuck, Dennis and families. Pam was a loving friend to me, as well as so many others. She touched so many lives! It was a blessing to have her in my life. I will cherish the memories, and there are so many. All those days, working together, talks over coffee, girl talks with Pam and Debbie, swim parties, so many good times. Thank you very much for all you gave me! I will love you forever .

“ Sending sympathy to Steve and John. My heart is breaking too. Oh the years.... school activities, sports, swim parties, graduations, coffee time at the Deli,, so many laughs. One of my highlights was introducing her and Eric!! Oh the fun I had with that, and it worked and she was happy. Although I can't make it back home know that my prayers and thoughts are with you all. And John... please stop back in soon, I can hug you then. I know she is at rest now, the pain is gone but it just seems to soon for us all to lose her. She will be held close in our hearts.
