*I am so sorry to hear about this. Pam was a wonderful friend was was
always ready to open her home to animals in need. I remember when
she would take nursing mother cats and their frail babies. At a rough
time in my life, Pam was there to help me work through it. She will
always be in my thoughts and in my heart*

“ Pam was my very best friend for 34 years. I will miss her more than words can say. She loved my two dogs and let them stay with her this winter while we attended a family illness and death. She loved them like they were hers as she loved all animals. Even when she didn't have money for herself, she would buy for all her babies and volunteer to help the rescues. She was more special and loved than she knew. I will always treasure my time with her and never forget! I love you, Pammie-poo 🌹
