“ *I was able to speak to my wonderful Sister Pat, just a little over a week before she passed. After I spoke the words I needed to say, I said "I Love You" and then BYE.....I heard her speak back in her soft, very weak voice "BYE"! I never expected to ever hear her speak again....what JOY that brought to my heart. Pat was always so good to me and I treasure our times spent together! How she loved BINGO and a little time spent playing the machines at the Casino. She was just the sweetest most caring person! I loved her so much and will miss her. She is at peace and finally with all those who preceded her. I am sure she is still looking down on all of us still here!*

“ Dear Uncle Keith ( Lynn, Tim and our families) - may your (and our) positive memories of Pat lift you and carry you forward as you hold dear all that she was to you, us and others through her many years of life! Aunt Pat had a quick smile, wit, a quiet strength and gentle kindness that I appreciated through the years growing up. My heart holds you all close in prayers and love. Tricia and family

*Uncle Keith, Lynn & Tim, sorry to hear of Aunt Pat's passing. I will always remember the times we'd get together when we were young and I'd get threatened with "the beat'ns" from aunt Pat...always fun and light-hearted. Although I probably deserved a "beatin", I never got one.... I think she still owes me a few! :)*

“ *Pat was one of the great ladies who thought of others always before herself. I really believe she put her family first above all other concerns. She's probably having a long conversation with her mom, dad and Camilla Neville right now. Keith, I can't believe how you and Pat managed to deal so calmly with Pat's health problems. You have my sincere condolences on Pat's passing and wishing you much strength in dealing with her loss. You loved her dearly.*

*Tim and Lynn, you mom's love for you two and her grandchildren was known to all the Neville family. She was so proud of your achievements in life and those of your kids.*

*T.J., so sorry for the loss of your grandmother who loved you dearly, as you did her.*

“ Pat was my sister-in-law for almost 60 years, and my brother and I were altar boys at her (and Keith's) wedding in 1961. She has always been a very close member of our family, and I am calmed by the fact that she is now in a much better place. Her courage and strength in battling cancer is a tribute to her, as she never complained whatsoever about her fight with the disease. She was a dear friend and we will miss her.
