“ My Aunt Pat gave me my love for Raggedy Anne. She and I went to the Raggedy Anne Festival in Arcola one year and had a wonderful time. She filled in the gaps of my childhood. So many questions I would have and she could help me with the answers. She also was an angel in white to my father after his heart attack. Helping him with the medical issues he was facing. Made him liver and onions or anything that he wanted to eat. All this after working a very long day. She was always helping someone. So many memories of her helping my family. She will be missed, but forever loved and respected.

“ My cousin, Pat, was also a great friend. We could talk for so long talking about all the family we shared. She gave me so much information about family members. It was so wonderful to talk about her family and my family. I appreciate my visits with her when I came back to Illinois. She was so special to me. I am glad we got to talk the Monday before she passed. RIP Pat!
