“ *Patty was my very good friend. I helped her pack up and move when she relocated from CT to IL and had her visit for many lunches at my home and met her at Apple Valley Worship Center in Southington CT and my husband George and I were in hers and Larrys wedding in 1994. They had 18 yrs together and Im sorry I just discovered this. He passed away in 2012 and 5 months later she passed away a little over a month after her 70th birthday. She was a kind thoughtful person and sent little notes from time to time and made calls to me all the time so when it had been a long time and I couldn't find an address or phone I searched the net. Im very sad but Im glad you left this or I never would have known. Thank you*

“ *It is with a heavy heart and much sadness that our family found out about Aunt Pat's passing this way. My Mother and I have been sending letter's, cards and pictures to Aunt Pat at the nursing home and were alarmed when the mail was returned to us. I started to do research today and after several phone calls and web searches found this page. :(Aunt Pat was married to my Father's brother Gene Sturgis before she was married to Larry. She was such a kind, caring sweet person and we all love and will miss her very much. She had 6 nieces and 1 nephew and lots of great nieces and nephews now in our family. If one of her step daughter's could please email me @ Karingky1@aol.com there is something I would like to talk to you about in private. I am very sorry for your families loss and our's!! Aunt Pat was a amazing lady!!! Karen Sturgis Vanover*

“ *Patty you will be missed by so many that loved you so very much. You were caring and thoughtful, loved your family with all your heart. I remember how you cared for your kitties as if they were your children, remembered so many at Christmas time (you got me started on my snow buddy collection which i still have). You would call and talk at times of need and your love for Larry showed so very much. You will leave a void in many hearts.
To Tiffany and Krystle with losing your Dad just months ago and now Patty you may feel more alone than before but remember your Dad has family that still love you and wish we could be closer in distance and in heart. If you ever need us to even just talk just give us a call.*
