“ *Aunt Pat was a wonderful woman. Kristal always spoke highly of her and of course when I first met aunt Pat nearly 30 years ago I understood why. I have fond memories of our trips to IL and visiting with aunt Pat and Russ when Russ was still alive. Just a few weeks before aunt Pat went to be with the LORD and see Kristal too I had the opportunity to talk with her via Facetime, share some scripture and pray with her. I will always remember that very significant Facetime call.*

Blessings in Christ to all the Denoyer and Buss family members!

“ *I am very saddened by your passing.*

Because I grew up next-door to you and your daughter was my best friend, you were always like a mother to me.

My funniest memory of being with you was on my first date. It was to be a double date with Donica to the drive-in. The only way that I could go is if you went. You were sweet enough to agree to go, and you sat in the front seat with Donica and her date. I was happy as could be, I cannot speak for Donica.

Thank you for all you have done for me throughout the years.
