“ Carol Ann / Kevin & family,

I am so sorry for your loss.

I really enjoyed working with Pat the last few years she was with B&T. She always talked about her family, including the GRANDS, and seemed to love life. I remember her thrill with email and keeping up with her son in the military, her golfing stories all the friends she'd made while she worked here. You must have many loving memories.

Please accept my condolences.##imported-begin##Julie DeWitt##imported-end##
