“ Even tho the miles have separated us thru the years, I always enjoyed keeping in touch with Pat on the occasions I would return back to the midwest. She was always positive, upbeat and concerned about everyone else - just the way she had been since our high school years! I will truly miss these short times we had to gab but know she is at peace and the suffering is over. My deepest sympathies and prayers go out to all her family!###imported-begin##Mary Gedmin###imported-end##

“ My deepest sympathy. As we lose the ones we love, the ones we shared so much of life with is truly difficult....If there are any bad times I assure you before long you will I pray remember the only the good..

May this make you cherish every moment you have with the ones you love and not take any time with each other for granted...

May the best of your past be the worst of your Future. Love, Live, Laugh all that you can...

“ John and Family,

Pat was a very special neighbor to me. She had that special quality of being a friend to all, especially in time of need. I thought about her often and now regret I didn't pick up the phone to let her know that. I am sorry but I am unable to attend the services, but all of you will be in my thoughts and prayers.

With heartfelt sympathy,
