“ Dean and I wish to express our sincere sympathy and send warm, healing thoughts to help you get through your time of sorrow. Allen, when we met you and Patty at Mark and Betsy's wedding, it quickly became apparent why Mark was such a kind and loving person. Last night, while attending a Hospice Memorial Service, I mentioned the passing of Patty. The representative kindly asked if I would like Patty's name to be announced. I was very appreciative and you would have been proud that she was part of such a beautiful service. It touched everyone's heart. You are in our thoughts and prayers.

“ Dean & I had a memorable evening when Patty & Allen stopped at our house in Marshalltown. Patty always had a smile on her genuine face when conversing. Her personality inspires all of us as she lived a life setting examples for all of us of expressing good Christian moral values. We got to see how she & Allen instilled those values in their beautiful daughter Krista who Travis & our family are blessed with. Hopefully, all who knew Patty will be inspired to carry on the good deeds as she would want all of us to do. The world would be a better place if we all lived a faithful life as she. God Bless this wonderful family as they go forward with their lives. We light this candle "because someone we love in is Heaven & so there is a little Heaven in our home".

“ Peter and my memories of Patty include observing what a loving marriage she had with Allen and how much she was loved and respected by her son, Mark. Mark is our son-in-law, From the fond stories Mark has told us about growing up in Kankakee, we know that having Patty as his Mother helped make Mark the fine young man that he is today. Pete and I offer our deepest sympathy to Allen, Krista, and Mark. Shelley and Peter Packard
