“ Dear Robin - I am so sorry to hear of the loss of your mom. I recently lost my father in January, and the pain of losing a parent is not easy. The hardest part is not being able to talk to them and hear their voice. But your mom will always be with you as she will be talking to you in everything you do. I was fortunate to work with Pat at Bohlen's office for a short time - she was such a nice person and always kind to me.

“ You were the *VERY BEST* aunt anyone could ever ask for.. You treated me like one of your own daughters. Most of my childhood memories include you and everyone of them are very special to me. Thank you so much for making me feel loved and wanted and that I belonged .. You will *NEVER* be forgotten .. I know I will see you again one day, I am sure there was a special place waiting for you when you got there. There are not many people that can touch so many lives the way that you have. I hope that you realized when you were here just how loved and special you were to so many people..If you did not then i am sure that you know it now. Love you and will see you again... Sandy
