“ I will miss you very much mom.”
Pat was my mother-in-law for the last 13yrs. I was married to her oldest son, Brian, who passed away May 17th, 2003.
Pat was a wonderful person and an even better mom. My main goal when we talked was to make her laugh, I usually had no problem in that area. She was always there for me to talk to when times got tough. I thought of her as my Illinois mom since my mom lives in Arizona and at the time I lived in Illinois. I was blessed to have her as my mother-in-law.
“Mom, I love you and will miss you very much.” See you again some day.....

“ Patsy Ann was a caring, loving lady. I always remember her when I was a kid. The family would come visit us in Springfield, MO from Kankakee and our other cousins from Grand Junction, CO. I was 7-8 years younger and would follow them around. I used to sit and watch her and Nancy Lee put their makeup on. They were so pretty and I would get "tips" from them. I continued to "hang on their words" as they were the older cousins and knew more. Our cousin Bill was the 3rd in the "older" group. They were always trying to ditch us little kids. Bill was really cute, but I never watched him with the makeup!

Patsy Ann and I share the same birthday, Oct 2. she has always been special to me and I regret not getting to see her in the last few years. I will always remember her dark hair, beautiful face and twinkling eyes. She will have a special place in heaven. Love Judy##imported-begin##Judy Stoner Gann##imported-end##

“ Judy said it all. That is the way I, too, remember Patsy Ann. She and NancyLee were the idols we yearned to become. Their lives were so exciting that we just watched in adulation.

And Patsy Ann became Pat over the years --- the strong woman that was there beneath the headstrong teenager. A strong and passionate woman who survived the many trials life dealt her with assurance and faith. I will always be grateful to her church family that stood by her and supported her when she needed them most. You truly became her family. It's a beautiful testimony to God's love.

So, Pat, God bless you. I rejoice that you now know the peace, the joy, and the reunions so often denied you in life. We celebrate with you! And, meanwhile, your light will shine in our hearts as long as we have memories. (Yeah, I heard you make a crack about my memory just now, but you get the point.) Blessings and Godspeed!

“ "Patsy Ann", as I knew Pat or Patricia, while we were growing up was a sweet and happy cousin & friend. I loved her dearly, and I took great pride (as the 'older cousin') in having her follow my lead - albeit pouring sand in "Billy's" hair-or digging up Grandmama's garden! Many years later when my brother Rich was born, she held & rocked him 'first.' I wasn't jealous-but thrilled-that "Patsy Ann" had come to visit! She had a gentle beauty & soft sparkle that drew me-& many others-to her. "May you Rest In Peace, Dear Angel of Love & Devotion."###imported-begin##NancyLee Summervill###imported-end##
