“ It is not very often that you meet someone who will change your direction in life unexpectedly. For me, that was Patty Cake. It was during my internship at Manor Care that I met her.

Pat was absolutely wonderful and her smile would light up my day. I loved going to my internship everyday just because of her. You are in my thoughts.##imported-begin##Terri Illum##imported-end##

“ My Aunt Pat was always the most generous hostess. Making pizzas, pinwheel cookies, buckeyes & anything you could possibly want. Always so happy to see you. I used to love when I was little & she would tap dance on holidays. She taught me so much about the history of Kankakee & insisted that I visit the Governor Small Museum after we left her house one day (which I am very happy I did)

My Grandma Di Pietra?s very best friend. One of my favorite aunts. I will always remember her as a generous and vivacious spirit.
May she find peace with her friends, family & husband in heaven. She is very loved.

“ Mike,

 we are saddened by the loss of your wonderful mother. We all have great memories of her. My brother Jim and I remember her kindness and wonderful baked treats whenever we saw her. She always greeted us with a smile. My father knew her ever since your family moved into the neighborhood. He said that he was her paperboy. Our prayers are with you. May God Bless You.

“ Mrs. Quigley was always the life of your family gatherings. Even though I knew her for a short while I will always remember her pleasant smile and witty humor. Through Trish Malmquist I feel blessed to have met your grandmother on this journey we call life.

I wonder if she asked Saint Peter at the pearly white gates to heaven if he wanted to hear her birds sing? To this day I still chuckle seeing her wear that sweat shirt with the birds on it.
