“ Deepest sympathy to Patty's family. I met Patty several months ago when I started working at Riverside Senior Life. She was such a lovely women to work with and I could not believe that we were both born in Chicago and grew up in the western suburbs. I am really going to miss her. Like me, we talked about our children and our grand children and how important family was and how to enjoy each day we spent with them. I know she was a great mother and a great grandmother and that family came first. I am really going to miss her smiling face at work. Rest in peace Patty.
