“ *We have so many fond memories of Pat. She was an amazing cook. We make her potato recipe for Christmas every year, known as "Pat Wolf Potatoes"*

We were lucky to be neighbors of the Wolf family growing up on Circle Drive. She was a great friend to our Mom. We remember her fun personality and sense of humor. She will be missed.

“ We met her grandson John in 1992 when he attended Olivet and became friends with our daughter. Some of the first things we learned about John was his love for his "Gma" . How she loved her family, made them laugh, and was so faithful to their lives. I always wanted to be a grandma like her and now am doing that! Each of our legacy's are lived out though our children and they are proving that with their wonderful lives! She will be missed by everyone of us!
