“ I can't believe it's been 3 years since you had to go away! My heart still has a piece missing because I don't have my Daddy to lean on or call when I'm having a bad day! I want you to know you are not forgotten, we frequently have a laugh when we bring up a funny story that involves you! I love & miss you more than anything! Always & forever Daddy!

What am I suppose to say when I'm all choked up that you're ok
I'm falling to pieces
Cuz when a heart breaks no it don't break even
It's already been 2 weeks Daddy, and already the world is a little less bright! I miss you! <3 your Maggie!

“ Grandpa Burke was just that..he was the best grandpa to Michaela. He showed her what a loving caring grandpa is and I am truly grateful that he was a part of her life. It really shows the measure of a man to give himself and touch others without even realizing it, and that's just what he did!
Love,
