“ *Linda and family,*

Pat remains in my thoughts as the namesake of “Pat’s Positive Program”. Pat had an infectious laugh and was always coming up with great ideas for things to do and inventions we only dreamed of making. And as our paths took different directions after college, I will forever remember him as a star that came into my life. He is missed.

“ *I am so very sad to hear of Pat's passing. My sympathy to my dear friend Caryn and his family. He was a great guy. I remember when he had his first heart surgery. He was a fighter and had a strong will to live not wanting to leave those he loved. RIP my friend. Heaven has gained another angel. <3*

PS

The only memory I have of Pat, is he gave me a ride home one day from uptown and was so sweet, he tried to give me advice about my relationship! God bless you Pat and rest in peace!
