“ I was so sad to hear of Pats death. A flood of memories came back to me. I remember as a small child welcoming our new neighbors. I remember endless hours swimming at the Schultz's pool. We always felt like you guys were family. Growing up in Belle Aire I have such fond memories of my childhood and the wonderful neighbors we had. Funny how time goes so fast and friendships fade. But they are never forgotten. Pat is in a better place with no more pain. Now all of his loved ones have a special angel watching over them. You are all in my thoughts and prayers. I am so sorry I was unable to attend the services- I wanted to be there to hug Jan and Mary like old times- when you both comforted me so many times growing up. “ Jan & Mary, We are so sorry to hear about Pat. We sure have lots of good memories of all the fun times we had while you lived across the street. Pat was a good man & he has had a difficult battle for the past several years. But now he is without pain. I'm sure he is in Heaven, sitting by a big old above ground pool & toasting us all with an ice cold beer!##imported-begin##The

“ Janet & Mary,

My condolences to you during these challenging days. i ½Growing up next door as a child I have many cherished memories of Pat and myself hanging out in the garage playing pool, watching the Chicago Cubs, and talking baseball. He absolutely was a man genuine kindness. i ½Although I never had the chance to tell him, he is a major reason why I am now a converted "faithful" CUB fan!
