“ I did not know that Paul had passed away in 2011. We have not kept up as the years have gone by but my husband and I have many fond memories of him from the 60's and 70's. This coming Monday our friends John and Lou Ann Owens are coming to visit and we were all friends with Paul in Bible College and the years after that. My husband and I were talking about Paul so I did a search to see where he might be and found he is with JESUS. What a wonderful and helpful man he was. Truly a gift to the body of Christ!

“ We are sorry for your loss. At times like these we need to draw close to God as James 4:8 states, but please know that God cares about all of us and He gives us wonderful promises at John 5:28, 29 and Job14:13-15 . May God strengthen your family at this time!
