I want to express my sympathy over the passing of your loved one, Paul. It has to be so difficult to lose someone around the hoildays, especially. I got to know and worked with Paul at Roper Corp in the 70's. We became the best of friends. Paul was a wonderful, genuine and kind person, and we spent a lot of great times together. We both, unfortunately, lost touch with each other for many years. I was saddened to hear of his passing. He was one of the best, and will be dearly missed. John Feller
