“ I knew uncle Paul since I was about 10, i'm now 34, he was like a second father to me....he lived next door to us...(Castro family) he would always be outside with my dad working on something, and making jokes, there wasn't a day we all weren't together....i was bestfriends with his oldest daughter maryann....still are till this day. He stood in at my wedding when my dad couldn't be there...so this man was a very important part of my life. Military has moved us apart. but I got to see him one more time on a emergency leave back in 2008....when I saw him I cried and hugged him so tight....cancer has taken away that voice that I would hear daily yelling and carrying on with my dad.....I can't be there to say good bye.....but I will come home soon uncle paul and say my good byes then....till then....rest in peace....I love you so much. I'm so glad my kids got to see you and meet you! I will continue to share all my memories with them about all the good times we use to have!!!!

Rebecca I am so sorry for the loss of your husband. I don't know if you remember me or not, I was the manager at the Aroma Park Circle K before the manager thats there now. I just loved to pick on your husband and then you and me laugh about it when you came in. He was a very sweet man and will surley be missed around the neighbor hood. Take care. My thoughts and prayers are with your family.
