beautiful and loving people that came from
our life together. You left two wonderful
daughters Tezra & Amie and their children
Tyler, DJ, Korben and Josi that will keep us
laughing and loving for many years. It makes me sad that you aren't
here to watch our grandkids see and live life's many adventures.
After all the time that has passed I know that we were still friends
and shared many good memories. As you greet all the family and
friends we lost please let them know I love and miss them all.
