“ Paula was an amazing woman who lit up a room when she walked in with her shining beauty from the inside out. Her love for the ones in her life was as strong and powerful as she was as a mother, wife, and woman. Even after I did not work for ESS any more she was still there for me in good and bad times as is Tom, you could not ask to know better people. I also did Pampered Chief with Paula and she taught me so much. I never knew such an amazing and wonderful woman, she will be greatly missed. Tom I am so sorry I am in Florida and could not make it home but I am with you in prayer and in spirit. God bless your family and I am here if you need me. This angel symbolizes to the kids that their mom is now watching over them and is their angel. God Bless.

“ *Tom and family ,*

I send my deepest Condolences , Paula was such a wonderful lady and I enjoyed getting to chat with her when Angie had a few days off she would call me up and ask questions in regards to the fingerprint files or schedule. Paula was the type that looked beyond the face of a person and into there heart , even on the phone she could do that we had some good chats those few days

Love and prayers in the days ahead ,
