“ I will always remember the way Mrs. Klafta (Grandma Klafta--as the neighborhood kids called her) would be at the McCarty's house with her grandchildren supervising all the neighborhood kids. She would take her own grandchildren to different parks on a regular basis and one time she asked my children if they wanted to go. They went and had a fun time. She will be missed -- especially seeing her ride around the neighborhood on her 3-wheel bike.##imported-begin##Teresa Rigney##imported-end##
