“ Peggy and I had many special talks and moments together. She was always a staunch supporter in Sunday School class, which I appreciated so much. While I'll miss knowing she's available at the other end of the phone, I rejoice with her that she's landed victorious on the other side and can be with Clyde again!!! I plan to see them, too!!!##imported-begin##Doris Dippel##imported-end##

“ Grandma Peggy,

You will be missed greatly. I remember stories you told about your father hunting live game for dinner. Thank you for those wonderful stories and memories.

“ Earth has no sorrow that heaven can not heal. To Michael Coy and his Michael you are an awesome young man full of life and joy. Your skills outstanding. You play a major role at Uhlich. And by far the most loyal, Therapist a treatment team can have. I send you my daily prayers, to keep your family up lifted through this rough times. My god bless you and keep you a hard worker and friend.

“ Aunt Peggy was such a strong pillar of strength to her entire family. She never waivered in her faith or love for her Savior.

Though we will miss Aunt Peggy, we know beyond any doubt that she is where she has lived to be, heaven. I know that it was a glorious homecoming - with so many waiting for her.

To the entire family - I know that there are no words to fill the void - just know that each of you are in our hearts and prayers.

Love,

Amy & Christopher
