“ I considered Peggy as a sister. Her brother Jim and I were best friends from the age of 10 until now. As far as I am concerned she was the wild one of the bunch. She held nothing back saying what she wanted to say. Jim was at my house or I was at his. So I spent a lot of time with the Regnier family.

My best memory of Peggy was at the club house at Alpiner park talent show singing Brenda Lee songs.

Peggy, may the angles wrap there wings around you and welcome you.

“ Peggy and I were sisters we were the middle two and very close growing up. she had a great sense of humor and I will miss that and laughing with her on the phone ,remembering things of our childhood. Peggy was the BEST mother and wife anyone could ask for, she always had a spotless house and took the best care of her kids, they always came first. she was a great cook and really cooked good homemade healthy food, no fast food or packaged garbage for her family. . she was a very hard worker her whole life, I had so much respect for her. I will miss her voice and laugh, and already miss not being able to just pick up the phone and talk to her. I know she is happy and with Pat just where she wants to be. God bless her and her family. “ I remember Peggy from our early childhood. Our family was neighbors as well as relatives. As cousins and friends we played together as kids. We had a lot of fun together, making mud pies, playing tag and any other games we came up with. Peggy was as sweet as can be but also a spit-fire when she was mad about something. She always reminded me of a singer (Brenda Lee) back in the day. My prayers and sympathy to her children,brothers, sisters and friends.
