“ 20 years working with Pete. 15 on 3rd shift. Breaks were always a riot. Pete's dry sense of humor and outlook on life and work was usually made the shift repeat on statements he had made. He will be missed by all but his stories will be retold for many years by those who worked with him.

God Bless.##imported-begin##Dan Morrison##imported-end##

“ Dear Joey & Family, i½We saw the obituary for Pete and are so saddened about his passing. i½We lost my (Vickie's) brother November 30th and know how deeply it wounds the heart. i½Please know that Pete and your family are remembered with fondness and the happy times we spent together in football. i½We are unable to attend Pete's services as Vince had a knee replacement surgery this morning. i½We send our prayers and blessings. i½May God's grace and peace surround all of you at this time. i½Our deepest sympathy,
Vince & Vickie##imported-begin##Vince & Vickie Francisco##imported-end##

“
Pete was always a kind, loving, fun part of our family. From the time I was a little girl, I can remember his laughter, and his smile... and that carries through to my last time spent with him, when a belgian waffle and an enthusiastic server had Pete on a roll and all of us in tears with laughter. He had a kind of easy way about him that made all of us love him dearly. Keep 'em laughing in Heaven, Pete. Love you.
He will be missed.
