“ Peter was very close to me as a youngster as we were the two oldest on the Hewitt side of our clan. Time at the farm with Uncle Cliff and Aunt Dorothy was special for me and the friendship we had was strong.

*Our prayers are with Chris and Peters Siblings, Children and Grandchildren. God Bless his memory.*

“ Peter Crego....definitely "Perfect Peter" to many of us who knew him well. He was a wonderful chef in our long-standing "Gourmet Club," and along with Chris, could make anything he set his mind to cooking. He was a perfect host at gatherings in their home and made everyone feel welcome. His winning smile could melt a heart, and certainly did when it came to Chris! It is a sad moment to have to say farewell, but in the past year, he suffered silently while trying to hold on to life. We will miss him at the gatherings, the theatre, and the symphonies and many other events he always supported locally. A fine man, and a caring soul is now at rest. Bless his memory and the family he leaves behind.  
Love and peace,
