“ *Very sad to hear of my Uncle Pete’s passing. He was always a cheerful man at all our family Christmas parties and just when our entire family used to get together at the Grandparents when all of us cousins were in our teens or early teens. He raised a great family himself and I’m glad I was able to enjoy all of their company before everyone moved on with their lives. He will be dearly missed and I’m sure he’s right there with his parents now enjoying the beauty of Heaven. RIP Uncle Pete. ❤️😭 He’s on the far left in the picture.*
