“ *Dear Bud and Gen,*

My mom Gloria, the girls and I only had the opportunity to know your sister briefly, but she was always cordial and kind, and until her last days, always shared a pleasant smile and friendly "hello."
Thank you for being such a good family to her, it was always a pleasure to visit with you and Phyllis' niece. We are glad she is at peace with the Lord, and we will keep her and you all in our prayers especially at this time.

Take care,

Monica and family
