“ *I remember when Elvis and his family moved to my neighborhood when I was a young teenager. We all quickly became friends. He was always such a fun and hyper guy! I was best friends with his sister, Glenda. He lived up to the "Elvis" name - dancing and just having a good time doing nothing in particular - just hanging around. He was definitely a novelty and brought some excitement to our lives. I don't think I ever saw him just sit still - he was always on the move. May be rest in peace. My condolences to the family.*
