“ Dear Nilu,

Our hearts are heavy with the news of your beloved father’s passing. Please accept our deepest sympathies during this profoundly difficult time.

You have always shown such grace, strength, and devotion in caring for your parents. Watching you over the years—being present for every need, every moment—has been a testament to your unwavering love and loyalty as a daughter. Your father was truly blessed to have you by his side, and that bond will remain eternal.

We know how deeply this loss will affect you. The absence of a parent leaves a silence that words cannot fill, but we hope the cherished memories you’ve created together will guide you through the days ahead.

Rishi, Avi, and Neel have inherited the values and spirit of your family, and their love carries your father’s legacy forward.

You and your entire family are in our thoughts and prayers. May you find comfort in knowing that so many hold you close in heart at this time of sorrow.

*With love and deepest condolences,
– The Errampalli Family*
