“ My deepest condolences to you on your loss of Randy. He was a friend of mine from pulmonary rehab at Silver Cross Hospital. We were both retired from Caterpillar. He was in the shop and I was in the office. We often sorted out the good guys and bad guys of the ones we both knew. We were 100% in agreement on our thoughts of them. I missed seeing Randy about five years ago when he stopped coming to rehab. He was one of the people I really enjoyed knowing. May he rest in peace.
