“ Dearest Marie and all your Family,  
  
  
We remember with great fondness your beloved husband Ray. He was so kind and a good friend to each of us. When my Father was Mayor in Essex and Ray was working with the Police Dept. He would stop in at my parents many times and we all enjoyed our visits with Ray. We know how much he will be missed by you and all of your family. My parents are not well so unable to attend Ray's service, but know we all send to you Marie and each of you our deepest sympathy with many thoughts and prayers. May God Bless you all with much health and peace.  
  
Most Sincerely,
