“ Ray was an "Irwin Boy". ĩ½A special person who grew up in a special place. ĩ½His life was shaped by his great family and friends. We know that he was a good man, a good husband and father is in an even greater place today. ĩ½Our love goes out to the Heck family today from deep in the heart of Texas.

“ What can one say about a man who was my favorite Uncle? I love him dearly. He made me laugh. ĩ½He always had a smile on his face whenever I saw him. I was the flower girl in their wedding. He and Aunt Vicki flew to my wedding in Las Vegas. I will have nothing but fond memories. Aunt Vicki, Brenda, Alan, AJ, and Jeremy- please know that I love you too. Never forget to tell someone you love them. They could be called home to God in the blink of an eye. Uncle Ray's house was finished and God called him home. I imagine it's beautiful, just like Uncle Ray.
