“ I just wanted to make sure I recorded my thoughts about Ray for all to see. Ray was a unique individual. It is difficult to put down in words, but for those who didn't get the chance to know or understand him, they missed out. Ray was someone who was willing to listen and share his experience and opinions. He was worthy of your trust and respect and will be missed. **Tim Marcotte**”

“ I just wanted you to know that Ray was on a prayer list that my family prayed each day for. You see, my best friend was diagnosed with cancer almost 18 months ago. Since she was diagnosed we have come to realize that cancer was all around us. Each time I heard of someone else with cancer, we added that name to the list of names. I am very involved with relay for life and will be walking for Ray as well as my uncle Wally who lost there battles with cancer. God bless you and your famiy during this difficult time. You are in our prayers. Ray was a wonderful person.
