“ Ryan and I have so many wonderful and fun memories with Ray. My personal favorite was the first day I met Ray. I was lost coming to their home and I kept calling to get directions. He said to me "would you get here already, I'm trying to watch football" I responded with "I'm trying, I wanna watch the game too" Haha
We both enjoyed watching football together for years and from that day forward we were close. I will miss my father in law dearly. Ryan and I will keep Ray in our hearts everyday.
