“ *Becca was unstoppable, unpredictable, unequaled, and utterly beautiful. She showed me the way to keep spirits high, cause "we weren't trying to get low" 😊. She was impossible to not notice as soon as her presence arrived, the aura became bubbly, and her light brightened any environment she walked into. Her one liners were unmatched by anyone, and she was becoming more beautiful, and finding herself more and more each day. Her and my bro Drew had a love that many people might never experience, and if they do it's truly a blessing from God. She was a fighter, and had a fire inside and a passion for life, and she would do anything for anyone. The saying, "a force to be reckoned with", was perfect to describe her. No matter what went on I'm just happy to say babygirl, fly high, you're in Good hands now. I love you always, and this is never forever. -Bj and Frankie-*

“ Whenever I needed to talk, she was there for me. She adored her kids. Becca was always joking and was very competitive. I was trying to teach her some soccer moves, I ended up in the rocks!!!she scored🏆🏆
Becca, you have left us way too soon. You will forever be missed (who is gonna call me Beautiful!?)
But I know I'll see you again someday. In the meantime, I'll try everyday to be "FINE AND DANDY, LIKE COTTON CANDY"

Fly high Beautiful Angel🙏🙏
LOVE YOU❤️ BECCA❤️
