“ *Becky and I were Neighbors. I live on 5th avenue She was sweet and I provided transportation so she could get to the stores to shop. She crocheted items and delivered them to her friends. She will surely be missed and I'm sure that Boots, her dog, will miss her too. She did her own housework and worked in her yard even shoveled snow recently. I just saw her on Tuesday Feb 16th She didn't look sick. It happened all of a sudden*
