You know we started out together BC(before children). i have many fabulous memories and know that you have many more than I. She loved ya'll more than anything in the world and was very proud of each of you, for each of you has something very special to give. I love your mom and don't be surprised if she doesn't steer you in the right direction from heaven above. I know she will be watching----Time will make it easier-Call if you need anything, even just to hear how much she bragged on you---Terry###imported-begin##Terry & Ross Romandine###imported-end##
