“ Uncle Reuben was always wonderful to us, he was always kind and cheerful and could always make us laugh. Mom always looked forward to his visits and phone calls, it always made her smile. I got to spend time with the whole family in the summers and it was a great time. Reuben and Dorothy were always there when you needed them. He will be missed so much by everyone who ever got to meet him. He now gets to be safe with his brothers and sisters. We love you Uncle Reuben. Diana and Marie Frenzke
