“ Sue, We just wanted you to know that our hearts go out to you at this time. Rex was a wonderful man and a great friend and will be missed. ½When I think of him, his constant smile and gentleness come to mind. We have many memories to hold close to our hearts as I know you do. I will always remember all of our Cincinnati trips and tavern memories. Keep him in your heart and he will help you get through this. Let us know if we can do anything for you. Lovingly, Irene##imported-begin##Bob & Irene Granger##imported-end##

“ We are so sorry for your loss, Sue. Rex had that kind of humor that always put a smile on the faces around him. We did not see each other very often anymore, but when we did, the conversation was usually the relating of stories from the past. We will remember both you two as the best neighbors we ever had. Please know our thoughts are with you and your families during this time of sorrow.##imported-begin##Bob & Judy Younger##imported-end##
