“ It wouldn't have mattered how long you stayed with us, it never would have been long enough. I would never be ready to say goodbye to you. Anyone who knows me knew how important you were to me. I talked about you every day even before you got sick. You were always my number one supporter. You stood by my side through good and bad, thick and thin. You always made me feel important and there was never a doubt in my mind how much you loved me. Every time I see your amazing smile I can feel you. I will always love you. I will see you again one day ❤️

“ Rhonda was a beautiful person and a wonderful, compassionate nurse. I worked with her for 6 years and I don't ever remember her not smiling. She treated her patients like family and was never too busy to talk with them. She will be missed.

“ Rhonda & I went all thru school together, I loved her smile & her laugh. We had a lot of fun together & sad times too. She would tell me how she loved her husband Bobby & he was her best friend forever! It's such a sad day to loose her, but God knows the pain & all the suffering she felt, so he took her home to be an Angel. Fly High Rhonda!! Rest In Peace ❤️❤️

“ There are no words good enough... but we had many many memories throughout the years of knowing each other! My favorite was always getting together and Rhonda letting go and not being shy once she was with my mom. She was as sweet as sweet can come! She touched many people with her caring nature and I'm sure she will continue to being up there as an angel and saying hello to my dad. Maybe they will enjoy meeting again until we all someday meet again! She will always be remembered as a loving, caring, kind person to ever walk this earth. May she Rest In Peace with no pain and become a beautiful angel watching over everyone! My deepest sympathies to Bob, Jeremiah, Josh, and Nicole! I love you all and may she watch over you now to get through this tough time in life! Xoxoxox
