“ My parents Lou and Dolores Bales were friends with Duck and Juanita. My father and he were in the National Guard together. I remember visiting at their home as a child and riding in their Art Linkletter peddle car. My parents have already past and I always wondered about Duck and Juanita. Really wonderful people

“ Dear Balgeman family
So sorry for your loss. What a good guy! I loved talking to them when they would come into Docs. They kept me updated how the girls were...how many grandbabies...how many great grandbabies. Seemed like everytime I saw them there was another one on the way! What a good life and a good friend to my dad. He will be missed.

“ My sincere condolences to Wanetta and the entire Balgeman family. Dick welcomed me over 30 years ago to Villageview Ch. 10 in Manteno. It was my 1st station to get my feet wet in broadcast. He loved the production process and made TV production so fun, producing live broadcasts of the Go-Kart races was quite a feat. We met when my dad brought down the smoke stacks at Diversatech. I was videotaping as well as Dick and it was a friendship ever since. So many wonderful memories, I still remember his amazing miniature carousel he built form scratch. Rest well, Dick. Many hugs to you, Wanetta and all the best to the Balgeman family.

“ To the entire Balgeman family, I have fond memories when I was the child care provider for you four young Balgeman children way back in 1964! And I remain grateful for the time your parents attended a surprise birthday in my honor and the annual note I received to keep in touch. Your dad has been a tremendous example for the next generation. May he Rest In Peace. You all remain in my prayers.

Wauneta and family. I feel such a sense of loss with Dicks passing. He brought to Manteno a true servant of Christ attitude when he arrived so many years ago. When others had agendas and attitudes, he saw opportunities for growth and improvement to our beautiful little town. What a public servant he was! May you find comfort in knowing that Dick lived a life most men would only hope to achieve.
