“ *sorry for your lost . Richard was a good man kind hearted and will be missed by us. I can remember the days when he would come over for coffee and we would just sit and talk about anything and everything. My kids will always remember him he used to take the older one for the bus in the winter when i couldnt and my baby called him pappa. We will always remember the place in our hearts that he made and the memories he made for all of us. His neighbor and friend Fred and Cathy Kiger and family.*

“ Richard was a wonderful and good person who had the best sense of humor. My favorite memories of him always involved a joke or laugh. Of course I remember how he loved his sports, the Chicago Bears or the Chicago Bulls, anything Chicago related. He will sadly be missed by me and my family. Our loss is Heaven's gain. I love you.
