“ Even though I worked at Panduit the same time that Rich was there, I didn't get to know him until he came to work with me at ATP. He was a good friend to me and I am sorry to hear of his passing. My wife and I offer our sincerest condolences.

“ We took silly photos with each of the tables at my wedding earlier this year, and Rich jumped in with as much enthusiasm and energy as he could. The whole day was great, and I loved being able to see everyone come together. Love you all ❤️
