“ Richard was a former member of the rock band Trauma from the LaSalle County area. He was the keyboardist, vocalist, and songwriter from the band's inception in 1984 until his departure in 1995. He was a major songwriting contributor on three of the band's releases of original material notably "Missing Persons", "Exploratory", and "7 From the Vault". Aside from his exceptional musical ability, he was a great friend and loved by all who knew him. He will be greatly missed.
On behalf of the entire Trauma family, our deepest condolences to his family and friends.
